

Your students depend on you, but who can you depend on

We are dedicated to the further education sector

Zurich Municipal is one of the leading providers of insurance and risk management services for sixth form, further education and specialist colleges.

Value is key when the sector is under pressure

Funding issues are driving huge changes in education. Colleges are having to ensure value for money and justify every penny spent. We deliver value for money through proactive risk management and by having risk assessment, specialist underwriting, and claims management all under one roof.

Zurich Municipal offers:

Risk expertise

Our dedicated Risk and Insurance Consultants (RICs) help customers understand and protect themselves from risk.

Data security

Our Data Security risk assessment helps you protect your college from data breaches.

Reputation damage cover

We can provide cover for up to £50,000 and access to our in-house Media Relations Manager to mitigate potential damage to your college's reputation following a serious incident.

A flexible future

With over 20 years' experience in the sector, our RICs and underwriters can provide support and guidance during events such as mergers and acquisitions.

Industry-leading claim resolution

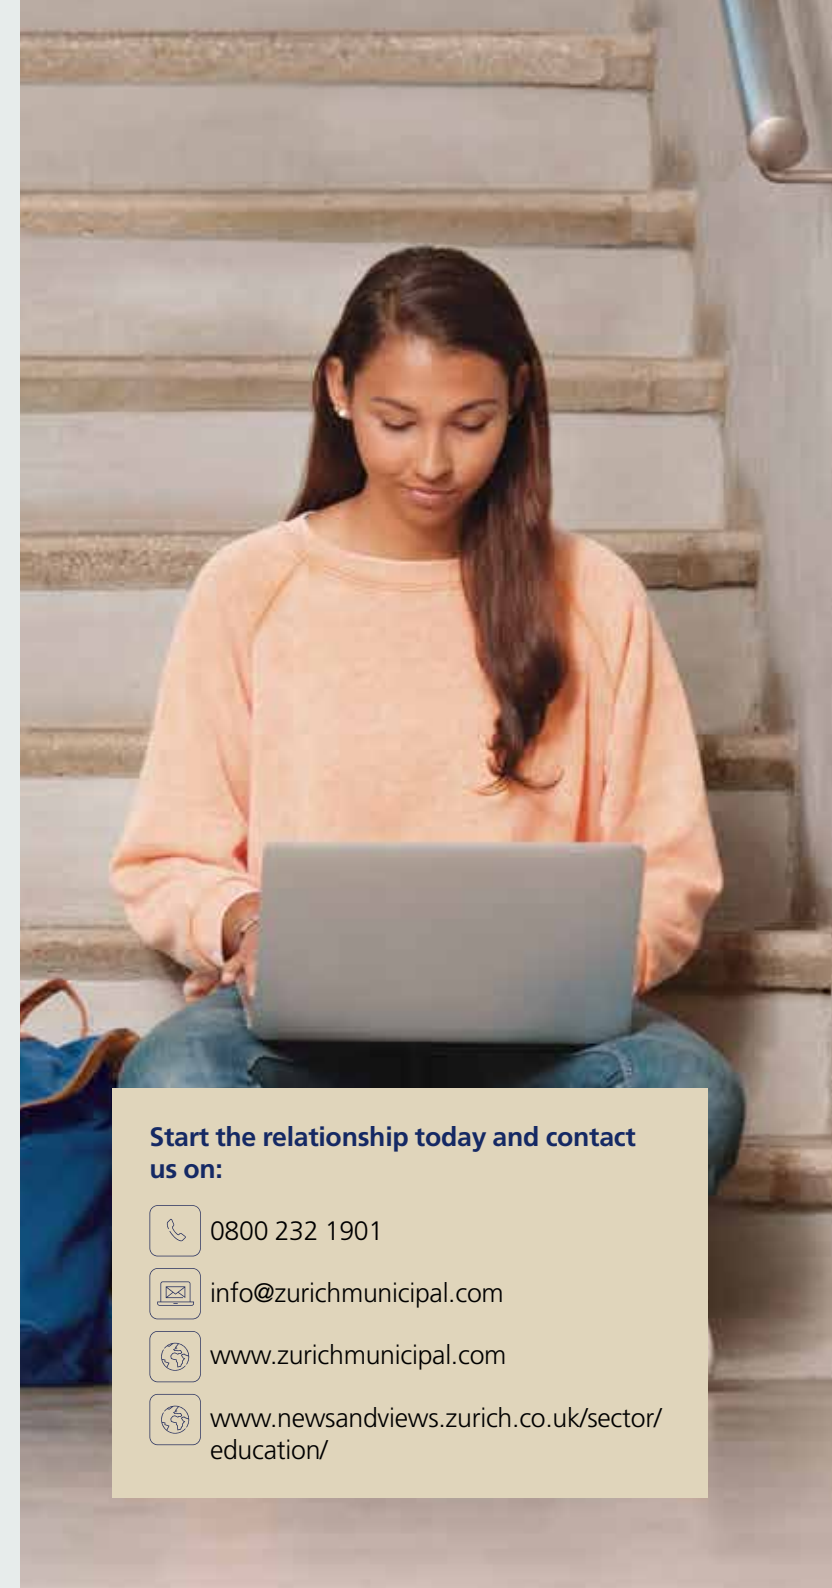

We have a 'one team' approach to claims handling and assemble bespoke Major Loss Teams to proactively manage larger incidents. Our aim is to getting you back up and running as quickly as possible.
